THREE WEBSITE PROJECTS

SweetDelight Bakery • Heaven Homes • FitNova Gym

One PDF with website output previews, project summaries, and complete HTML/CSS/JavaScript source code.

1. SweetDelight Bakery

A pastel bakery website with featured treats, product pricing, story section, and a demo menu-request form.

2. Heaven Homes

A real-estate website with featured properties, sample prices, property search/filtering, services, and enquiry form.

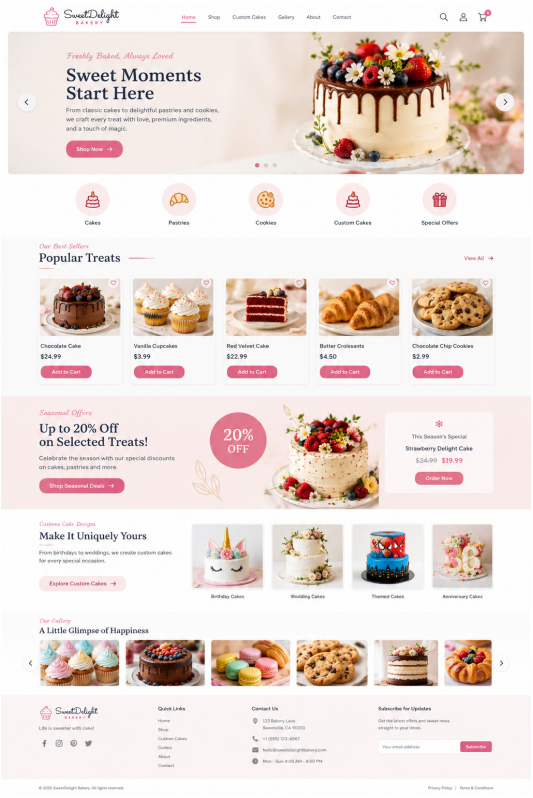

3. FitNova Gym

A responsive gym and fitness website with workout programs, trainers, membership plans, timetable, and registration enquiry.

Important: All prices and property details are sample/demo content. Forms demonstrate front-end interactions and do not send information to a server.
